Twenty-Five Hundred "Kids" Crowd  
Tabernacle While "Billy" Sun-  
day Talks to Them About  
Right Living.

ALL WOULD LIVE FOR JESUS

Names Signed to Cards Which Will  
Be Used as Working Basis  
for Sunday Schools.

URGES DON'T PLAY FOR "KEEPS"

**SUNDAY MEETINGS.**  
9 a. m.—Grand rally of twelve Sunday  
schools at First Congregational church.  
Nineteenth and Davenport, Miss Gamlin.  
10:30 a. m.—Sunday at the Tabernacle.  
8 p. m.—Sunday at the Tabernacle.  
Men only. Subject, "Children Come  
Home to Rest."  
8 p. m.—Meeting for women in the  
auditorium, Mrs. Sunday.  
7:30 p. m.—"Overflow" meeting at  
First Methodist church, Mrs. Sunday  
and Mrs. Asher.

Twenty-five hundred "kids"  
laughed and gasped and wriggled  
with delight and interest yesterday  
afternoon at the tabernacle as  
"Billy" Sunday told them stories,  
told them what they ought to do and  
what they ought not to do and told  
them of Christ.

The childish faces were turned  
up to him and over them flitted the  
emotions that his stories and antics  
roused. Billy is a great story teller  
and a great actor. He imitated the  
whine and the shuffle and the coat-  
sleeve nose wiping of the bad boy  
and he told them of the good deeds  
of good boys and the rewards of good  
deeds.

And after his talk he suddenly called  
on all the children to rise who wanted  
to live good lives and live for Jesus,  
and they rose together. Then "Billy" called  
for 500 grown persons to take their  
names and addresses and church prefer-  
ences. These cards will be turned over  
to ministers and be the foundation of a  
great ingathering of the youngsters to  
the Sunday schools.

Home Redeemer began the service  
by calling on groups and leading in sing-  
ing "Brighten the Corner." The Bethany  
Sunday school released a lusty yell,  
which included the line, "When Billy  
Gets Through."

**Newsies on Hand.**

The front rows were occupied an hour  
before the meeting started. Two newsies  
brought their unsold papers to the taber-  
nacle and offered a paper to "Reddy" as  
they passed the platform.

A freckled-faced youngster asked Chief  
Usher Bowman if he might sit upon the  
platform with Mr. Sunday. A pretty  
little miss with curls brought her doll,  
and a boy had a bottle of red pop stick-  
ing out of his coat pockets.

A remarkable feature of the prelimi-  
nary meeting was the singing of a duet  
by Homer Redheaver and Joseph and  
Harry Stafford, who lives at 3711 Lin-  
coln boulevard. The child's voice had  
risen so clear and sweet in the singing  
by the children that the choir leader's at-  
tention was attracted, and he asked the  
boy to sing with him. Harry has a most  
remarkable voice for one so young and  
was rewarded by tremendous applause.

**Wriggled with Joy.**

"Billy" kept the kiddies interested every  
minute. He told stories and they wrig-  
gled with joy. There was one about a

L. O. Timpey of Bartley, Neb., and Mil-

tion of the man to be dropped.

## Aberdeen Man Kills Wife and Himself

ABERDEEN, S. D., Sept. 18.—What

curred here at noon. William Vogt of  
Bismarck, N. D., entered the home of his  
wife's mother, shot his wife, her mother  
and self. Vogt and wife are dead and  
her mother is dying. Mrs. Vogt had  
recently left her husband.

## BRITISH WORKMEN BALK ON DRAFT

Railway Union Officials Say Con-  
scription Would Be Followed  
by General Strike.

PRAISE STATEMENT OF THOMAS

LONDON, Sept. 18.—The execu-  
tive committee of the Amalgamated  
Union of Railway Servants unani-  
mously endorsed today the statement  
in the House of Commons on Thurs-  
day of J. H. Thomas that conscrip-  
tion would bring on an industrial  
revolution and that the railway  
workers would stop work.

The resolution adopted by the commit-  
tee congratulates Mr. Thomas, who is  
the organizing secretary of the labor  
body, upon his "fine statement" and in-  
forms the "views" he expressed. It adds:  
"The committee instructs the general  
secretary immediately to summon this  
executive committee if the government  
introduces any proposals for compulsory  
military service."

## Many Ministers to Watch Sunday Land Sinners Upon Trail

Every afternoon and evening, beginning  
with Tuesday, when the annual confer-  
ence of Methodist Episcopal churches of  
Nebraska will begin, will be used by the  
100 attending ministers and lay dele-  
gates solely for the purpose of hearing  
"Billy" Sunday.

No business or addresses are scheduled  
on the program for the afternoon and  
evenings of the conference session. All  
those attending the church gathering will  
spend that time in listening to the base  
ball evangelist exhort people to hit the  
sawdust trail.

Seats will be reserved each evening at  
the "tab" for ministers, 500 of whom are  
expected to attend the conference. About  
that number of laymen will also attend  
the conference and the trail-hitting  
gatherings, so the latter meetings will  
be greatly swelled by the Methodists dur-  
ing the week. Their sessions continue  
until Monday, September 27.

"Ma" Sunday is on the conference pro-  
gram for an address Friday afternoon at  
4 o'clock. She will talk at the First  
Methodist church, the conference head-  
quarters, after the "tab" meeting that  
day.

**LITTLE GIRL BADLY  
MANGLED BY A DOG**  
SIOUX FALLS, S. D., Sept. 18.—At-  
tacked by a vicious dog, Lucille Norris,  
the little daughter of Mr. and Mrs. W.  
E. Norris, of Henry, was badly mangled  
before she could be rescued. The little  
girl and a number of playmates were  
playing with the dog, as they had done  
many times before, when the animal,  
which evidently had become tired and  
cross, suddenly attacked the little girl,  
seriously wounding her about the head.  
The girl's mother and some neighbors,  
after considerable effort, succeeded in  
driving the dog away. The animal was  
killed by the town marshal.

## URGE RECOGNITION OF MEXICAN RULE

Pan-American Delegates Will Make  
that Recommendation to Their  
Governments.

ASSERTS THAT TIME HAS COME

NEW YORK, Sept. 18.—The Pan-  
American conference on Mexican af-  
fairs announced at the conclusion of  
its meeting today that each of the  
diplomatic representatives would  
recommend to their government that  
in their judgment the time has now  
come to extend recognition to a  
government in Mexico.

After declaring that the defacto  
government aspiring to recognition  
must possess "the material and moral  
capacity necessary to protect the  
lives of nationals and foreigners," the  
conference announced in a statement  
that each of the participating  
governments "shall itself judge such  
capacity and recognition will like-  
wise be extended by each govern-  
ment separately at such time as it  
may deem proper."

The statement makes no definite  
announcement regarding the time of  
recommendation, but it is that it will  
come within the next few weeks.

Secretary Lansing announced that the  
question of recognition would be further  
considered at a meeting of the Pan-  
American diplomats to be held in New  
York three weeks from today. At this  
meeting it is understood the decision as  
to what government to recognize in  
Mexico will be made.

## Two Carloads of Gasoline Explode

TOLEDO, O., Sept. 18.—One man was  
killed and heavy property loss was sus-  
tained today when two cars of gasoline  
exploded at the plant of the Hixco Pro-  
ducing company, manufacturers of gaso-  
line. The victim was M. Markel, an em-  
ployee. The explosion was felt two miles  
away. Night workers, still asleep, were  
thrown out of their beds two blocks  
away and thousands of panes of window  
glass were shattered.

## General Villa and Main Army Flee from Torreon to Chihuahua

EL PASO, Tex., Sept. 18.—Reports that  
the evacuation of Torreon was practi-  
cally completed yesterday and that Gen-  
eral Villa is now at Chihuahua with most  
of his army, were brought to the border  
by foreigners arriving today.  
It was said thirteen troop trains had  
reached Chihuahua, bringing all the ar-  
tillery, horses, camp equipment and what  
is left of the Villa army, together with  
the household goods of the officers and  
their families.  
General Villa's family were said to  
have participated in the flight from  
Torreon.  
Reports among the refugees here in-  
dicate there is a well defined plan among  
the military leaders to wage guerrilla  
warfare against the Carranza forces  
from Chihuahua City.  
It was said that the forces gathering  
at Chihuahua will split into small bands  
and swing back along the lines of Obre-  
gon's communications, acting independ-  
ently, but co-operating with General  
Villa as chief of operations.  
The arrival at Juarez of a cattle car  
loaded with silver bullion revived rumors  
that Villa was preparing to ship to the  
border some of the loot secured from  
General Tomas Urbina, whom Villa ex-  
ecuted two weeks ago. Villa officials,  
however, denied that the car contained  
any of the Urbina loot.

## BERNSTORFF HAS FULL POWERS TO TREAT WITH U.S.

German Ambassador in Possession  
of Complete Information and  
Authorized to Make Settle-  
ment of Case

FINAL ACTION TAKEN IN BERLIN

Washington Officials Feel that  
Matter Will Be Adjusted  
Satisfactorily.

VON JAGOW GIVES ASSURANCES

BERLIN (Via London), Sept. 18.—  
A full settlement of the submarine  
problem can probably be arranged  
by negotiation in Washington. Count  
von Bernstorff, German ambassador  
to the United States, is in possession  
of complete information regarding  
the wishes and policy of Germany,  
so the Associated Press is informed,  
and has been given power to nego-  
tiate terms of settlement with the  
United States subject only to final  
revision and approval by the home  
government.

A long report on the submarine situa-  
tion was received here from Count  
von Bernstorff Thursday and an equally long  
message of instructions went forward to  
the ambassador this morning. Both dis-  
patches were of a nature which seems  
to make officials confident that the  
whole submarine problem can be speedily  
and safely settled.

**Strengthens Optimism.**

The form which the negotiations are  
now taking goes to strengthen this opti-  
mism for in such conversations Count  
von Bernstorff is in a position to com-  
municate many things not adapted to in-  
clusion in a public note, but which are  
of a nature to convince the American  
government's settled determination to  
remove the sources of the conflict on the  
submarine question.

The hope is expressed here that the  
negotiations can be pushed through with-  
out delay, and that no further issues  
may be brought into complicate a settle-  
ment.

**Can't Repudiate Report.**

Foreign Minister von Jagow said in this  
interview that Germany could not well  
repudiate the report of the commander  
of the submarine, which sank the Arabic.  
Nevertheless there was room for a dif-  
ference of opinion and Germany would  
examine carefully the evidence from  
Washington.

He repeated the assurance that enemy  
passenger steamers, which respected the  
maritime code, would not be attacked  
without warning, saying explicit direc-  
tions had been given the submarine com-  
mander, and asserted that the whole  
German government stood behind this  
policy.

## Roeder Admits He Bought Votes and Falsified Returns

INDIANAPOLIS, Ind., Sept. 18.—Ernest  
Roeder, who recently pleaded guilty to  
the election conspiracy indictment  
during the term of office of Charles A.  
Elder, former president of the Los An-  
geles investment company, recently con-  
fessed to misuse of the company's funds.  
His method was to make fraudulent re-  
turns of large policies written for sup-  
ported clients and present demands on  
the company from general agents of the  
insurance companies for the premiums.

Roeder said he was the progressive  
primary clerk and was chosen at the sug-  
gestion of Dennis Bush, co-defendant and  
street commissioner, and James H. Gib-  
son, who has pleaded guilty.

Bush told me to be at the precinct, as  
there would be a vacancy on the board  
and I would be chosen," said Roeder. "I  
was not a progressive. I was instructed  
to give the vote to Lyons."

The witness said he worked with Gibson  
on election day and bought a number of  
votes with money given him by Gibson.  
Roeder said he brought three men to the  
polls, who did not live in the precinct and  
voted there under the name of persons  
who lived in the precinct, but were out  
of the city on election day.

## The Day's War News

GERMAN ARMY is to be sent to  
Turkey, according to statements  
attributed to Enver Pasha, the  
Turkish war minister, in a dis-  
patch from Constantinople by way  
of Berlin.

GERMAN GOVERNMENT intends  
shortly to issue a declaration an-  
nouncing to the German empire the  
territory in France and Belgium  
occupied by German troops, it is  
declared in press advices received  
in Switzerland.

GERMAN SUBMARINE has tor-  
pedoed and sunk the British tank  
steamer San Severino, of 6,420 tons.  
Of its crew of forty-two  
three men are missing.

IN THE DARDANELLES the French  
record a success in the destruction  
yesterday of a Turkish mine gal-  
ley.

ATTACK BY THE TURKS on the  
left front of the entente allies on  
the Gallipoli peninsula resulted in  
the killing of hundreds of the ex-  
peditionary force, the Turkish war  
office declares.

AUSTRIAN ATTEMPTS to invade  
Serbia have been resumed, accord-  
ing to the war office at Nish,  
which reports that three efforts  
of the Austrians to cross the River  
Sava during the night of Septem-  
ber 14 were frustrated.

RUSSIANS CONTINUE to be pressed  
back along the northern end of  
their line. Vilna is apparently on  
the point of falling, while Dyvinsk  
is seriously threatened. In the  
south they are continuing their  
successes.

## WILL SEND GERMAN ARMY TO TURKEY

Statement Printed in Berlin that  
Large Force Will Go to Relief  
of Constantinople.

TURKISH POSITIONS DESTROYED

BERLIN, Sept. 18.—(By Wireless  
to Tuckerton, N. J.)—A message  
from Constantinople, as given out  
here today by the Overseas News  
Agency, quotes Enver Pasha, Turkish  
minister of war, as saying that a  
great German army was to go to  
Turkey.

The news agency says:

"A Constantinople telegram states  
that at a review of troops held in  
honor of Duke Johann Albrecht of  
Mecklenburg-Schwerin, commander-in-  
chief of the Turkish forces at the  
Dardanelles, Enver Pasha said the  
presence of the duke was the fore-  
runner to the arrival of a great Ger-  
man army."

**Turkish Positions Destroyed.**

PARIS, Sept. 18.—The destruction of a  
Turkish position on the Gallipoli penin-  
sula by French forces was announced to-  
day by the war office. The announce-  
ment follows:

"In the night of September 17 there was no move-  
ment of importance. The Turks at-  
tacked several positions of our front by  
means of mines, which had not been  
employed by them up to this time. On  
the morning of the 17th an enemy mine  
gallery was destroyed. The operation  
was successful without costing us a  
single loss."

The following statement regarding the  
progress of hostilities on the French-  
German northern line was given out this  
afternoon:

"There was diversified activity during  
the night in the sector of Neuville-Roclin-  
court, before Hove and upon the plateau  
of Quenneville. There were frequent  
artillery bombardments with guns of va-  
rious calibers and hand grenades con-  
flicts, but without activity on the part  
of the infantry."

"In the region of Berry-Au-Bac and in  
Champagne, in the region around Perthes  
and between the Aisne and the Argonne  
district, there was continuous and lively  
cannonading."

"On the rest of the front there was  
nothing to report."

## Emery Confesses Forging Checks to Amount of \$15,000

LOS ANGELES, Cal., Sept. 18.—Carl  
Emery, head of the insurance depart-  
ment of the Los Angeles investment  
company, was jailed early today after  
he was alleged to have confessed to of-  
ficers that he had forged checks on the  
company amounting to approximately  
\$15,000. Emery had been under surveil-  
lance for several days while officers of  
the investment company were investi-  
gating suspected employees.

The district attorney has promised to  
issue a complaint today. Officers visited  
Emery and questioned him at length.  
During the questioning the accused em-  
ployee is declared to have made a con-  
fession, which resulted in his arrest.

Emery's forgery, it is said, began  
during the term of office of Charles A.  
Elder, former president of the Los An-  
geles investment company, recently con-  
fessed to misuse of the company's funds.  
His method was to make fraudulent re-  
turns of large policies written for sup-  
ported clients and present demands on  
the company from general agents of the  
insurance companies for the premiums.

Roeder said he was the progressive  
primary clerk and was chosen at the sug-  
gestion of Dennis Bush, co-defendant and  
street commissioner, and James H. Gib-  
son, who has pleaded guilty.

Bush told me to be at the precinct, as  
there would be a vacancy on the board  
and I would be chosen," said Roeder. "I  
was not a progressive. I was instructed  
to give the vote to Lyons."

The witness said he worked with Gibson  
on election day and bought a number of  
votes with money given him by Gibson.  
Roeder said he brought three men to the  
polls, who did not live in the precinct and  
voted there under the name of persons  
who lived in the precinct, but were out  
of the city on election day.

## Father of Mystery Boy Declared to Be An Unfit Guardian

FORT WORTH, Tex., Sept. 18.—The  
"Mystery Boy," the 7-year-old lad whose  
identity has puzzled the authorities for  
weeks, is Roy Carrell of Fort Worth and  
not Tommy Delo of Quebec, Canada, ac-  
cording to a decision handed down this  
morning by the district court here today.

Because of the decision, Mr. and Mrs.  
Peter Delo of Quebec, lose their fight  
for the boy whom they had journeyed  
half way across the continent to establish  
as their missing son.

In deciding that E. S. Carrell was the  
father of the boy, the court also decreed  
that Carrell's roaming habits and finan-  
cial condition precluded allowing him the  
custody of the child, and a home for the  
boy will be found by the court.

To determine which of the two claim-  
ants were parents of the child, Carrell  
yesterday asked the court to make a  
scientific character analysis of the boy.  
An examination was said to have re-  
vealed traits, claimed to be hereditary,  
similar to those of Carrell.

"Southwest of Orsay repeated enemy  
attacks against the villages of Elsmouty  
and Dattichki were repulsed. South of  
Dattichki, after stubborn fighting the  
Germans succeeded in occupying the  
village of Rodstun."

Week Beginning Sept. 20.
